## VERTICAL BALER FOR CANS

**CANS | METAL WASTE**  
**INTELLIGENT SMART TECHNOLOGY**  
**WITH REINFORCED STEEL CONTAINERS**

## BALEX-C VERTICAL BALER FOR CANS

Europress Balex-C is an effective vertical baler for metal waste, such as vegetable tin cans. Balex-C effectively squeezes the cans directly into the waste bin. The Balex-C is easy to operate: at the push of a button, the ram squeezes the waste into the special bin and returns to the top position.

Intelligent SMART technology on the balers contributes to more cost-efficient and safe operation. Device settings can be individually adjusted to best meet the various waste management requirements. The balers monitor their usage and adapt to anomalies in order to protect both the operator and the components.

Compaction force (t)	16
Dimensions H x W x D (mm)	2,585 x 1,840 x 1,100
Weight (kg)	1,470
Infeed opening H x W x D (mm)	490 x 1,120 x 700
Infeed height (mm)	1,140
Press cycle time (s)	28
Noise level (dBa)	< 60
Motor (kW)	4.0 KW
Bin size	530 l
Power supply	400 V, 50 Hz, 3x C16 A

BLUE COLOR RAL 5017  
 REINFORCED STEEL CONTAINERS / ACTIVATION KEY  
 LOADING DOOR SAFETY LIMIT SWITCH / DISCHARGE DOOR SAFETY LIMIT SWITCH
