

COMBI FEATURES

With an **efficient compression ratio** waste compactors are highly efficient alternatives to waste skips.

A smaller version of the familiar CombiMax waste compactor. Combi is suitable for narrow spaces.

An easy-to-use, mobile waste compactor. The compacting unit is attached to container.

Quiet operation sound.

Robust structure. Designed and manufactured for **versatile conditions.**

SMART 5G

- Automatic pick-up request
- Remote maintenance
- Filling prediction
- Additional emptying request

Built-in **SMART-technology** guarantees the **energy efficiency** of the waste compactor. Combi uses less electricity than traditional waste compactors.
