

COMBIFLEX FEATURES

With an **efficient compression ratio** waste compactors are highly efficient alternatives to waste skips. **Compaction force 35 t.**

A good option for the popular Combi and CombiMax waste compactors.

An easy-to-use, mobile waste compactor with a large feed opening. **Container size even 23 m³.**

Quiet operating sound.

Robust structure. Designed and manufactured for **versatile conditions.**

SMART 5G

- Automatic pick-up request
- Remote maintenance
- Filling prediction
- Additional emptying request

Built-in **SMART-technology** guarantees the **energy efficiency** of the waste compactor. CombiFlex uses less electricity than traditional waste compactors.
