

COMBIMAX LITE FEATURES

A new, optimized, and easily transportable version of the popular CombiMax waste compactor.

With an efficient compression ratio waste compactors are highly efficient alternatives to waste skips.

An easy-to-use, portable waste compactor with a large feed opening. Compacting unit attached to container.

Quiet operation sound.

Strong structure. Designed and manufactured for northern climate conditions.

SMART 5G

- Automatic pick-up request
- Remote maintenance
- Filling prediction
- Additional emptying request

Built-in SMART-technology guarantees the energy efficiency of the waste compactor. CombiMax LITE uses less electricity than traditional waste compactors.
