

COMBIMAX HD FEATURES

With an **efficient compression ratio** waste compactors are highly efficient alternatives to waste skips. **Compaction force 35 t.**

It is particularly suitable for bulky waste, one-way pallets, lightweight wood and heavy cardboard.

Robust structure. Designed and manufactured for **versatile conditions.**

Quiet operation sound.

SMART 5G

- Automatic pick-up request
- Remote maintenance
- Filling prediction
- Additional emptying request

Built-in SMART-technology guarantees the **energy efficiency** of the waste compactor. CombiMax HD uses less electricity than traditional waste compactors.
