

## COMBIO FEATURES

The Combio is a larger version of the CombioMOD waste compactor and features a wider and larger infeed opening.

### Extremely durable

- Most of the hydraulic and all electrical parts are completely isolated from the compactor chamber.
- Liquid-proof solution for wet waste.

Water proof design effectively eliminates water leaks and minimizes odors.

Quiet operation sound.

**Robust structure.** Designed and manufactured for versatile conditions.

### SMART 5G

- Automatic pick-up request
- Remote maintenance
- Filling prediction
- Additional emptying request

Built-in **SMART-technology** guarantees the energy efficiency of the waste compactor. Combio uses less electricity than traditional waste compactors.
