

A HANDY PLASTIC BALER FOR TIGHT SPACES BT-3

This compact and cost-efficient baler is designed especially for baling plastic and small cardboard boxes. Easy to use and space-saving, it keeps your facilities neat and tidy even in confined environments.

The neatly compacted bales are easy to handle, making lifting and loading onto pallets effortless.

- Waste types:** plastic and cardboard
Bale weight: 40–60 kg (plastic), 30–50 kg (cardboard)
Applications: especially suitable for small and narrow spaces
